benmadder.com 

I am a determined and passionate person, that is looking to demonstrate and develop my skills by taking advantage of new opportunities, experiences, and challenges. I am about to enter by 4th year and final year studying IT (Information Systems) and Interaction Design at QUT, and I am aiming to get some real-world experience and bring value to your organisation.

Skills

- Problem Solver
- Flexible and Adaptable
- Dependable and Reliable
- Comfortable in team environments
- High level of literacy with technology
- Proficient with Adobe Suite
- Coding Experience with Python, SQL, HTML, CSS, MongoDB Aggregation

Job Experience

JUNE 2018 - FEBRUARY 2019

Customer Assistant / Dan Murphy's, Smithfield

- Assisted in providing customers with the ideal retail experience.
- Worked in a large team to coordinate stock, fulfil orders, and provide customer assistance.

NOVEMBER 2020 - JANUARY 2021

Farm Hand / GraceKate Farms, Clifton

- Seasonal farm work in regional Queensland.
- Worked in a team to ensure produce was picked, sorted, and packed each day.

Education

2019 - 2022

Bachelor of IT / Design - Majoring in Information Systems and Interaction Design / QUT Brisbane

- About to enter the final year of my double degree specialising in interaction design and information systems.
- From this degree, I have learnt efficient problem-solving, creativity and teamwork among numerous other professional skills such as with the creation of media with an emphasis on user experience and the management of business systems.
